### QBS HOME STUDENT SPONSORSHIP FORM 2023-2024

NUMBER OF STUDENTS YOU WISH TO SPONSOR \_\_\_\_\_

MONTHLY \_\_\_PKR.15000/ PER per month (12 Months)

YEARLY \_\_\_PKR.1,80,000/ (MARCH-FEBRUARY)

You can sponsor a QBS HOME child/ children and help in providing daily education, healthy food, school uniform, books, essential healthcare, and teaching facilities. These children live in the outskirts of Islamabad in a small village called Zakheera. The parents are economic migrants, labourers, drivers, home helpers, and drug addicts with no access to education, healthcare, and nutrition. This results in these children being used as domestic servants, cheap child labour or sold off as underage brides or drug mules.

With your support and help, QBS HOME can ensure that these vulnerable kids get all the opportunities you would want for your own little ones. When you sponsor a child/children, you will be helping them to build a better life and break free from the cycle of poverty, crime and extreme trauma.
